

J-FK350-4K, 350MM FERROUS MANUAL COLD SAW

414217K

JET Coldsaws deliver clean, burr-free cuts and offer machine shop and fabrication professionals a list of features and standard design characteristics that you've come to expect from JET. All backed by the industry leading full service Two Year Warranty

FEATURES

- 350mm (14") Ferrous Cold Saw for steel, stainless and tough to cut alloys.
- Spring loaded whole hand trigger starts or stops the sawing process for easy smooth cutting and increased user safety
- Quick tension and release mitering capabilities with stops at 45° right, 45° left, and 90° (center), capable of slotting
- Two-piece cast iron blade guard system permits quick and easy blade changes without removing the guards
- Hardened and ground worm screw and wheel drive gear box operates in an oil bath for added durability
- Double self centering vise with adjustable gibs secures the material for burr free cuts
- Heavy-Duty cast iron frame base with easy access storage provides a stable cutting platform
- Thermal overload protection with magnetic starter for increased electrical safety
- Flood style coolant with flow control system extends blade life
- 30° adjustable length material stop
